**SCOPE**

Journal of Southwest Jiaotong University bimonthly, sponsored by Southwest Jiaotong University, was founded in 1954. It is a comprehensive academic publication in science and engineering, and is aimed to present the latest development and achievements in scientific and technological research. Its predecessor was "The Tangshan Engineering College Magazine", started in 1919 as one of the earliest journals on science and technology in China. Journal of Southwest Jiaotong University mainly publishes original high-quality papers in fields of civil engineering, railway rolling stock, electrical engineering, electric traction and electronic technology, traffic and transport engineering, mechanical engineering, information science and technology, environmental science, materials science and engineering, applied physics, etc
