| <p>Dear Authors,</p> <p>Your article has passed the desk review and similarity check and will go to the next content review process, which will be done by two or three reviewers from Indonesia and/or International.</p> <p>The content review would involve correspondence from our editor to the reviewer from Indonesia and/or international. This process is different from the desk review process, which only involves our internal staff.</p> <p>Hence, it is really difficult to predict the duration of time that it will take to get the result of the content review due to other activities of our reviewers. The duration of the desk review may not be the benchmark for content review.</p> <p>Thank you. Have a nice day.</p> <p>Regards,</p> <p>Eka</p> <p> <a href="#">13825_Article_Turnitin.pdf</a></p> | <p>epangputri</p> <p>2025-07-21 02:28 AM</p> |
